\*\*\*The COCC Bookstore in Bend assembles kits for this class, everything REQUIRED is in there, plus some extra materials, and is cheaper and easier than buying items one piece at a time.

Supplies can also be found at Jerry's Artarama or Dick Blick online.

Jerry's has the best prices for everything, and the widest selection of high quality materials, but takes a week to ten days for shipping, order early and save.

Layor Art Supply, Michaels, or Hobby Lobby have supplies but I would only recommend them as a last resort.
